AN **OVATION** HOLDINGS COMPANY

YOUR SOLUTIONS PARTNER

Fire Pumps • Water Booster Systems
Sump & Sewage Systems • On-Site WasteWater Systems
Water Reuse Systems • Controllers & VFDs
Preventative Maintenance • HVAC

Factory-certified technicians are available to provide start-up, service, and warranty for commercial and municipal clients. Furthermore, **STH** offers comprehensive diagnosis, repairs, and rebuilds for pumps and controllers, irrespective of the manufacturer. Last but not least, and perhaps more significantly, **STH** offers comprehensive preventative maintenance to guarantee your equipment is performing at its best.
